

*Be still and know there is a God*

A loving God of eternal creation

The Holy Bible, his inspired words

Mans sin loses contact with God

Jesus, sinless, yet crucified for ours

Belief in Jesus is God's forgiveness

With repentance reflecting belief

God given talents that glorify him

Lives overflowing with God's spirit

To love God is the calling of Jesus

and to show love for one another

We are to preach his gospel

*and* if we must; use words.
